

THE DTP SONG

~

(Sung to the tune of the children's song "This old man . . .")

Lyrics by Emeritus Professor Garth Nettheim AO, Co-Founder of DTP

DTP – First Two Verses

Human rights. Human rights.
Keep the peace and stop the fights.
Micronesia. Melanesia.
Polynesia too.
Human rights are good for you.

DTP. DTP.
Human rights for you and me.
Indonesia. Philippines.
Timor Leste too.
Human rights for me and you.

(New verses to be added to each program)

Examples:

TNCs, TNCs
Should not exploit LDCs.
NGOs can learn the way
To keep them straight and true.
Human rights in business too.

We have come, flags unfurled,
To this course to change the world.
Leap around Sydney town
Like a kangaroo.
Human rights are good for you.

ILO, they should know
Treaty is the way to go
Migrant Workers (WMC)
Workers' rights for you and me

MFA, DTP
WARBE, RMMRU, you and me
Migrant Workers Rights are recognised
Migrant Workers will be prized
