

Participant Biography - MD Liakat Ali

2015-16 MW Bangladesh Modules

MD Liakat Ali is a Researcher at AIN O SALISH KENDRA (ASK). Liakat researches on migration and trafficking issue. He works as an investigator In ASK since 2012. ASK is the most prominent legal aid and human rights organisation across Bangladesh. Working as an investigator and a human rights activist Liakat reports on various human rights violation activities related to state violence, workers' rights, migrant workers' rights and human trafficking. He also organises campaigns to encourage community human rights defenders to initiate response for protection and promotion of migrant workers' rights. He believes that he will gain more knowledge about UN's human rights monitoring systems and accountability mechanisms by undertaking DTP course. He strongly believes that this program will help him succeed in his future ventures and the training will increase his experience on migrant rights issues, thus will help him sensitize the community human rights defenders and gain more responses for his causes. He is currently conducting a research in M.Phil course at Dhaka University where he is focus is on migration and trafficking issue.
