

Participant Biography - Mohammad Alam

2015-16 MW Bangladesh Modules

Mohammad Alam is a junior program officer at Caritas Bangladesh, Dhaka branch. He is solely responsible in implementing the “Promoting safe migration and rights of Bangladeshi migrant workers” in and around five districts in the Dhaka region. He has been focusing on working with rural communities since 2002 at Caritas. The main purpose of the project that Mohammad is working on is to provide information to the potential migrants and their family members to better enhance their migration. Many Bangladeshi migrants go to other countries as illegals risking their lives, Mohammad wants to support the migrants and give them justice. Mohammad has conducted many training programs in his time with Caritas. He believes that the DTP will help him refine his skills to conduct better training programs in the future. Since Mohammad is directly involved with human rights, justice and peace related issues, he will be a right match for the DTP program.
