

Participant Biography - Syed Azizur-Rahman

2015-16 MW Bangladesh Modules

Syed Azizur-Rahman is the Executive Director of Swapna Dektay Sikhi-Swadesi and the Executive member of Bangladesh Ovibashi Adhikar Forum. Syed focuses on issues of migration on the local level. The organisation has regular activities like awareness meetings at places where there are mass gatherings like the local markets. They also conduct local government training about migration laws in regards to passport and visa checking and remittance mobilizing training. Syed believes that the DTP will help him gain capacity to engage strategically with GFMD processes and gain knowledge and enhanced skill in the labour market and migration issues. He also wants to build a deep understanding of other international forums and processes related to migration.
